

Cookie Policy

Introduction

The company uses cookies, when you visit our website, ("www.apmefx.com") including any other media form, media channel, mobile website, or mobile application related or connected thereto to help improve your experience.

What are Cookies?

A "cookie" is a string of information which assigns you a unique identifier that is used to be stored on your computer. Your browser then provides that unique identifier to use each time you submit a query to the site. The use of cookies on the site to, among other things, keep track of services you have used, record registration information, record your user preferences, keep you logged into the site, facilitate purchase procedures, and track the pages you visit. Cookies are used to improve your user experience.

Types of cookies	Purpose
Necessary cookies	Are essential cookies for the website and its features, such as accessing secure areas of the website.
Preference cookies	These cookies allow a website to remember choices you have made in the past, like what language you prefer, or what your username and password are so you can automatically log in. These cookies are also called "functionality cookies".
Statistics cookies	Collect information about how a website is used, like which pages a user visited and which links have been clicked on. Their sole purpose is to improve website functions anonymously. These cookies are also known as "performance cookies".
Marketing cookies	Track online activity to help advertisers deliver more relevant advertising or to limit how many times an ad is displayed. These cookies can share that information with other organizations or advertisers. These are persistent cookies.

What cookies does www.apmefx.com use?
